GSL's REPORT, 2019

17 May 2019

HAPPY 20th BIRTHDAY WEALD BROOK

Would you believe it the Group has become 20 years old ... It only seemed like yesterday that we were celebrating its 10th, come to that starting it. Well it is for me and possibly others of the old guard of which I am one (of the old guard that is).

First of all my thanks goes to the Leaders and members of the Executive Committee for their help and hard work during the past year. Also, to the parents that help at section meetings and those who help with maintenance of our HQ. And Paul Bradley who is our Independent Examiner of accounts, thank you to you all. It is this dedicated team that makes our Group so successful giving our young members, your children, such a varied and exciting program. But we still need the help of parents, so sign up. The rotas are an essential part of running of the sections, come along and join in the fun.

We continue to have successful linking between our Beaver Colony, Cub Pack and Scout Troop. Also between the Troop and Explorers that is improving. As for opening a second Cub Pack and Beaver Colony that is an ambition yet to be realised. Of course all of this depends on having leader teams to run them!!!

As you can see from the section reports the Leader Team and Executive Committee here at Weald Brook aim to provide quality Scouting for the young people and we are continually looking to improve. This can only be achieved with your help.

I look forward to working with you all in the coming year.

Yours in Scouting
Bernard Manktelow,
Group Scout Leader.
